Hey Lisa! Make sure you don't hog all the fun to yourself. You should "let it slip" that it was Rod who was altering 302's both before and after you did. It's why he signed off on the last ones. To cover his previous alterations and to control the narrative from that point.

So Mueller and Rod are both super secret undercover agents for good? Have you ever worked with them? Or even met them? I have, for years. They are both steaming piles of shit who destroy people's lives for personal and professional gain.

Rod Rosenstien is withholding documents in a desperate attempt to cover his crimes. He is trying to hold out until November when the dynamic may change. If/when the truth of his actions comes out he will be right where he put himself, without a friend in the world.

Lisa O. Monaco was one of only 5 people who signed a reccomendation for Rod Rosenstien to be appointed Deputy AG. With Trumps record of promoting qualified females to top positions. RR really screwed his supposed friend. Now why would he want Wray so bad?

Rod was part of the attempt to set up General Flynn, and his son, by staging a phony kidnapping of Fethullah Gulen in Pennsylvania. The "attempt" would go wrong and Gulen killed. The General and his son then blamed for it to get the General under control. But someone exposed

Oh Rod, the picture is becoming clearer and clearer isn't it? Just wait till everyone learns you altered the "302's", not just Lisa,(including Flynn's) trying to control everything. Sooo much going on the record now, I'll be filing my suit soon, "from all angles" pal.

So now we know that Comey secretly recorded the President many times.
Question, is Rod Rosenstein still sticking with his, " I was just kidding" statement when he talked about wearing a wire with President Trump?

You do not deserve to wear that robe.

General Flynn, an innocent man willing to destroy every minute of his life, everything he has achieved, to save his son. When both of them are innocent and attacked by others.

You, allow your sons to harm others. And in your own corruption you continue that corruption to cover theirs. No matter how many lives are destroyed. The only thing you seem to be competent in doing is destroying innocent lives. And selling your position to fix things

Mr. (judge🙄) Sullivan, I had hoped all along that you would do the right thing, that you would realize that what you're trying to hide is known by people on both sides. I had hoped in knowing that you would consider the situation moot and do the right thing.

You did not. Instead you turned to your friends for more political favors and cover. So maybe exposing some of those crimes will prompt you to recuse yourself. It's obvious you can't be relied upon to do your job impartially and dismiss all

Police departments across the Nation have been doing "safety checks" for a long time. Many times they proved not to be necessary but they have saved many lives because of it. Now they are drafting orders for "Covid wellness checks".

These Checks will not only be performed by the police, healthcare personnel, first responders, and LATER bye ordinary People hired specifically for these "checks".

We already have hotlines where people can rat out others, now neighbors with a beef can send wellness checks
